

May 9 Rehearsal Info

Just a quick reminder that rehearsal will be with the orchestra ('Rosamunde Overture' and 'Pastoral Symphony') for the first hour or so tomorrow night, but you can set up, assemble, etc. in the band room. After joint rehearsal there will be a break with snacks and water, curtesy of the orchestra.

Then it's back to the band room for band only selections rehearsal - Arabian Dances, Espana Cani, Appalachian Morning (not 'Spring'), To the Ends of the Earth, and A Childhood Hymn.

Also, looking ahead to next week, rehearsal for the band only is not Tuesday, May 16, but Thursday, May 18, at 6:30 for final run through of the band only pieces.

Finally, if possible could you bring along to the concert on Sunday, May 21, a little plate/dish/tray of cookies, snacks, etc. to join with the orchestra in showing our appreciation for our audience, for the orchestra, and for each other.
