Fill your life with music, new friends, fun and accomplishment!

Open to musicians with any level of experience, members of the New Horizons Band Fox Valley meet new friends and work as a team to learn music for concerts and other local community performances.

If you played an instrument in school years ago, you will be amazed at how much you remember and how quickly you will be able to play again. If you've never played a musical instrument, you will probably be familiar with the musical sounds that will be part of your beginner instruction with New Horizons Band. You will be surprised at how much you already know!
